Summary of PPG spending				

Summary of spending and actions taken:

13/9/19 Updating of PP passport format to be used so it includes a rolling 4 year format to track attainment closer.

10/10/19 Latest PP list circulated to all staff.

15/10/19 Phonics groups analysed with regard to PP children.

16/10/19 PP governor walk and updating about activities so far.

March 2020 LOCKDOWN

March/20 PP accounts set up to allow vouchers for groceries.

Vouchers printed off for those families who could not print or access online.

A trial of providing grocery packs instead of the vouchers took place also during lockdown but this wasn't as successful as the Edenred supermarket vouchers so school reverted back to this.

Paper packs of work made available for those children who couldn't access work via the internet / class Dojo etc.

Lists of children who have not been interacting with teachers, given to Headteacher.

Record of PPG spending by item/project			
Item/project	Cost	Objective	Outcome
Maths groups in year 6	£15000	Additional member of staff used to support lower attaining pupils through intervention groups.	The groups worked well with children becoming more confident with their arithmetic ability which then fed into their problem solving confidence. 5 out of the 6 children achieved Year 6 secure or greater and the 6 th child achieved working with Y6 level.
Maths and English support for PP children	£13000	Smaller group support in English and Maths with focused TA.	Much needed to allow for quick addressing of problems and difficulties in the autumn term to just before Easter. These groups worked particularly well for those children who were commencing a year group to move them into emerging.
Reading support	£13000	Target the children who are not making rapid enough progress.	Phonics input still needed even though we are a junior school. We had children accessing this across the whole school although the number were much smaller in upper school.
Staffing, Books and resources for MACAWS	£22026	MACAWS sessions offered weekly by trained Well- being Support Leader to support pupils experiencing difficulties. Resilience-building games, Positive play, Lego therapy, mental –health support, liaising with families MACAWS corner	Feedback from sessions and parents shows how valuable this resource is in allowing the children to become calmer, more understanding, helpful and mentally in a good place to allow relationships to be rebuilt and concentration on work to become better. Nominations were submitted to the Youth Sports Trust Outstanding School Award 2020
Lockdown resourcing	£743.50	Provide activities for key worker children during all of lockdown. Provide printed packs of work for those who needed them.	All children able to access the curriculum and experience a positive outcome from being in Covid-19 lockdown.
Gardening groups	£7550	Positive wellbeing for the child and for the school community.	The garden gang have worked to achieve the RHS awards so far. Around 50 trees have been planted on the field.
Residential visits	£1500	Team work and resilience skills	4 students given the opportunity to attend in year 6 Year 4 children's trip pending due to Covid-19

Whole class trips	£800	To deepen understanding of other faiths than Christianity	2 RE workshops were delivered for the Holi festival in Y6.
Enrichment opportunities and trips	£940	Allowing access to the full range of the curricular activities in and out of school.	All students who could were able to be included in any activities.
Subscriptions to maths, welfare and reading trackers/apps	£1370	Improve maths skills. Analysis of reading habits. Ensure communications and concerns are all noted and tracked.	Time given in school for some of these as well as logins provided for use at home. The welfare tacker was especially useful to use during the lockdown period where communication was not always so easy.
Learning resources	£9000	Books, pens, class resources etc.	Children able to access a range of learning opportunities without a lack of resources to do so.
Training costs (phonics and P4C)	£2000	Improvement in staff teaching and knowledge (EEF)	Staff using their training as evidenced in planning.
Ipad	£500	Allow additional support via apps	Programs installed to give extra support and practise via: ttrackstar / sumdog /Fun French/ Squeebles / Nessy
Breakfast club And After School Club	£7228.50	Making up shortfall and reducing costs.	Breakfast club went well in the autumn with 14 % of our PP attending.
Teacher in class support X2 days	£5000	Address gaps in understanding	Maths and English support given in small groups.
TA one to one support	£5300.84	Address gaps in understanding	Small group teaching sessions given to year 5 and 6 in the second half of the spring term but then stopped due to Covid lockdown.
SEN support	£400	Address gaps in understanding	Additional resourcing and time allocated to SEN PP children as and when the needs were identified throughout the year.

Total PPG received	£105500
Total PPG expenditure	£105358.84
PPG remaining	£141.16
