Dear Parents/Grandparents/Guardians,

I would like to introduce myself to you within my new role as the Community Engagement Worker for Hadfield and Padfield. I am based at The Bureau in Glossop, but I am available on Tuesdays and Thursdays only (as I work part time).

I have done various Community Volunteering which also included Jumble Trails and setting up a local Community group (which schools has taken part in, on our past Events).

I am really interested in staying connected with everyone and doing more in the community and The Bureau have offered to help support this.

It would be good to find out How you are all doing? How are people coping coming out of the Pandemic? Are people still feeling lonely/isolated? What's important in the coming months to you, the Parents/Grandparents, Guardians?

What would you like to see happening in Hadfield/Padfield? Do you feel we need more local groups, if so, what sort of groups would you like? Do you feel we need more activities for young people or are there any new parents to the area that may want to find out what is going on in our community and need a little help in making friendly connections? Have any of you thought about starting a local group up and not known where to start and how to get funding? If so, maybe The Bureau can help with this. We could possibly do a survey, on all your interests, if we can get enough people interested.

I am mainly available in Hadfield on a Tuesday and Thursdays, if you would like to discuss further. Email me at sandy@the-bureau.org.uk. Tel: 07949112088.

I have attached some information with regards to the work the Bureau do. Some parents may want to do some Volunteer work or try the life skills course to promote confidence or generally just get involved in our community. Perhaps some families may have friends or relatives that could also benefit from our services attached.

Thank you for your time and I hope we can become connected and bring back some form of normality from the disruption that the Pandemic has caused us all.

Kind regards

Sandy Henderson
Community Engagement Worker
Please note - My working days are Tuesday & Thursday.
