Attendance Policy

Introduction

This policy has been written to adhere to the relevant Children Acts, Education Acts, Regulations and Guidance from the Department for Education in addition to guidance from the Local Authority. Parents/carers have the legal responsibility for ensuring their child's regular attendance and failure to do so is a criminal offence under Section 444 of the Education Act 1996.

This policy reflects the vision and aims of St Andrew's CE Junior School

Our Vision

'Through experiences rooted in Christian Values, and through mutual Respect. We guide children to develop Compassion, Responsibility and Resilience in a Caring environment.'

At St Andrew's CE Junior School, all staff work collaboratively to encourage every pupil to strive for excellence. Every child will be supported, challenged and valued. One way in which we strive to do this is by encouraging staff, parents and children to maximise the learning experience in order that all children reach their maximum potential.
We are determined in encouraging the development of high self-esteem and for our children to take pride and ownership of their learning. In conjunction with this, we will continuously provide a clear framework for parents and staff as well as clear procedures for involving parents and/or external agencies where appropriate.
Our policy applies to all children registered at this school and this policy is made available to all parents/carers of pupils that are registered at our school on the school website.

St Andrew's CE Junior School encourages all parents/carers to work in partnership with the school in order to improve attendance and punctuality and recognises that "parents have the primary responsibility to ensure that pupils of compulsory school age attend school regularly" (DfE 1999).

Aims and Objectives

This attendance policy ensures that all staff and governors in our school are fully aware of and clear about the actions necessary to promote good attendance.
Through this policy we aim to:

- Improve pupils' achievement by ensuring high levels of attendance and punctuality.
- Achieve a minimum of 95% for all pupils, apart from those with chronic health issues.

- Create an ethos in which good attendance and punctuality are recognised as the norm and seen to be valued by the school.
- Raise awareness of parents, carers and pupils of the importance of uninterrupted attendance and punctuality at every stage of a child's education.
- Work in partnership with pupils, parents, staff and the Early help Service so that all pupils realise their potential, unhindered by unnecessary absence.
- Promote a positive and welcoming atmosphere in which pupils feel safe, secure and valued, and encourage in pupils a sense of their own responsibility.
- Establish a pattern of monitoring attendance and ensure consistency in recognising achievement and dealing with difficulties. • Recognise the key role of all staff in promoting good attendance.

Definitions

Authorised absence

An absence is classified as authorised when a child has been away from school for a legitimate unavoidable reason and the school has received notification from a parent or carer. For example, if a child has been unwell and the parent telephones the school to explain the absence.

Only the Headteacher can decide on whether an absence is authorised or not. Sometimes, even if absence is supported by parent, an absence will be unauthorised.

Unauthorised absence

An absence is classified as unauthorised when a child is away from school without the permission of the school even if the absence is supported by the parent.

Procedures

Our school will undertake to follow the following procedures to support good attendance:

Our Attendance Officer is **Mrs Sarah McLaren**

The attendance officer will monitor and analyse attendance data regularly to ensure that intervention is delivered quickly to address habitual absence at the first signs.

The school will collect data regarding punctuality, truancy, and authorised and unauthorised absence, for:

- The school cohort as a whole.
- Individual year groups.
- Individual pupils.
- Demographic groups, e.g. pupils from different ethnic groups or economic backgrounds.
- Other groups of pupils, e.g. pupils with SEND, LAC and pupils eligible for FSM.
- Pupils at risk of PA.

The attendance officer and the headteacher will conduct a thorough analysis of the above data on a termly and half termly basis to identify patterns and trends. This will include identifying, for each group:

- Patterns in uses of certain codes.
- Particular days of poor attendance.

- Historic trends of attendance and absence.
- Barriers to attendance.

The governing board will regularly review attendance data, including examinations of recent and historic trends, and will support school in setting goals and prioritising areas of focus for attendance support based on this data.

The school will also benchmark its attendance data against local-, regional- and national-level data to identify areas of success and areas for improvement, and will share practice which has been shown to be effective with other schools.

Training of staff

The school will recognise that early intervention can prevent poor attendance. As such, staff will receive training in identifying potentially at-risk pupils as part of their initial safeguarding training.

The governing board will ensure that teachers and support staff receive training in line with this policy as part of their induction. Following this initial training, staff will receive regular and ongoing training as part of their development.

Training will cover at least the following:

- The importance of good attendance
- That absence is almost invariably a result of wider circumstances
- The legal requirements on schools, e.g. the keeping of registers
- The school's strategies and procedures for monitoring and improving attendance • The school's procedures for multi-agency working to provide intensive support for pupils who need it

The Headteacher will ensure there is dedicated and enhanced attendance training to the attendance officer and other staff with specific attendance functions in their role – this will include training regarding interpreting and analysing attendance data and supporting pupils to overcome barriers to attendance.

Staff will receive training to ensure they understand that increased absence from school could indicate a safeguarding concern, and know how such concerns should be managed.

Responsibilities

All members of school staff have a responsibility for identifying trends in attendance and punctuality. The following includes a more specific list of the kinds of responsibilities which individuals might have.

Class teacher

Class teachers are responsible for:

- Following this policy and ensuring pupils do so too.
- Ensuring this policy is implemented fairly and consistently.
- Modelling good attendance behaviour.
- Using their professional judgement and knowledge of individual pupils to inform decisions as to whether any welfare concerns should be escalated.
- Where designated, taking the attendance register at the relevant times during the school day.

Headteacher Our Headteacher is **Mrs Mandy Cornwall**

The Headteacher is responsible for:

- The day-to-day implementation and management of this policy and all relevant procedures across the school.
- Ensuring all parents are aware of the school's attendance expectations and procedures.
- Ensuring that every pupil has access to full-time education and will act as early as possible to address patterns of absence
- The overall strategic approach to attendance in school.
- Developing a clear vision for improving attendance.

The Attendance Officer and Administration Staff

The Attendance Officer Administration staff are responsible for:

- Monitoring attendance and the impact of interventions.
- Analysing attendance data and identifying areas of intervention and improvement.
- Communicating with pupils and parents with regard to attendance.
- Following up on incidents of persistent poor attendance.
- Informing the LA of any pupil being deleted from the admission and attendance registers.

Parents

Parents/Carers are responsible for:

- Providing accurate and up-to-date contact details.
- Providing the school with more than one emergency contact number.
- Updating the school if their details change.
- The attendance of their children at school.
- Promoting good attendance with their children.

Registration

The school doors open at 8.50am and children are expected to be in school by 9.00am this gives plenty of time for all pupils to come into their classroom and be ready to learn when lessons start.

Each class teacher has the responsibility for marking the attendance register at the beginning of the morning and afternoon session.

All attendance records are documented using Integris Software. Attendance registers are legal documents and these must be kept secure and preserved in line with the relevant retention schedule

Lateness

Children who are persistently late after close of register soon fall behind with their learning.

Any pupil who comes into school after 9.00am will be marked as late. Records are kept of those pupils who are late; this is documented on the electronic register for each pupil (Attendance code L).

Any child who arrives for school later than 9.20am will be marked as late after close of register (Attendance code U). This is an unauthorised absence for the whole session and will affect your child's overall attendance percentage and can be used to calculate absence thresholds for legal decision making.

Children who have attended a dentist or doctor's appointment and subsequently come to school later than 9.00am will have the absence recorded as a medical absence (Attendance code M).

Persistent Absence (PA) Monitoring

There are various groups of pupils who may be vulnerable to high absence and PA, such as:

- Children in need
- Looked After Children (LAC)
- Young carers
- Pupils who are eligible for FSM (Free School Meals)
- Pupils with EAL (English as an additional language)
- Pupils with SEND (Special Educational and Disability Needs)
- Pupils who have faced bullying and/or discrimination

The school will use a number of methods to help support pupils at risk of Persistent Absence to attend school. These include:

- Offering catch-up support to build confidence and bridge gaps.
- Offering 'soft starts' and/or 'meet and greet' in cases where pupils are school refusers or anxious
- Meeting with pupils to discuss patterns of absence, barriers to attendance, and any other problems they may be having.
- Establishing plans to remove barriers and provide additional support.
- Leading regular check-ins to review progress and the impact of support.
- Making regular contact with families to discuss progress.
- Assessing whether an Educational Health Care (EHC) plan may be appropriate.
- Considering what support for re-engagement might be needed, including for vulnerable groups.

The school will focus particularly on pupils who have rates of absence over 50 percent, and will work with the LA and other partners to engage all relevant services needed to identify and address the wider barriers to attendance these pupils are facing.

Where a pupil at risk of PA is also at increased risk of harm, the school will work in conjunction with all relevant authorities, e.g. social services, to support the pupil in line with the school's duty of care. The school will also bear in mind that the continuation of severe PA following intervention may, in itself, constitute neglect, and will escalate any concerns in this regard in line with the Child Protection and Safeguarding Policy.

In the case of Persistent Absence, arrangements will be made for parents to speak to Mrs Cornwall. The school will inform the LA, on a termly basis, of the details of pupils who fail to attend regularly, or who have missed 10 school days or more without authorisation.

If a pupil's attendance drops below 85%, the headteacher will be informed, and a formal meeting will be arranged with the pupil's parent.

Where a pupil has not returned to school for 10 days after an authorised absence, or is absent from school without authorisation for 20 consecutive school days, the school will initiate the Child Missing in Education (CME) procedure.

Absences

Parents will be required to contact the school before **start of the school day** on the first day of their child's absence and **every subsequent day thereafter,** giving a clear reason for the absence by explaining what illness or symptoms are present. This is so we can monitor illnesses and viruses that might affect the whole school community.

First Day Contact

Where a child is absent from school and we have not received any contact from the parent, then we initiate a first day contact process. The Attendance Officer will check the registers each morning to identify those pupils who are absent without explanation and, as a safeguarding requirement, make contact with the parents of these children by text/telephone.

The school will always follow up any absences in order to:

- Ascertain the reason for the absence.
- Ensure the proper safeguarding action is being taken.
- Identify whether the absence is authorised or not.
- Identify the correct code to use to enter the data onto the school census system.

The school will not request medical evidence in most circumstances where a pupil is absent due to illness; however, the school reserves the right to request supporting evidence where there is genuine and reasonable doubt about the authenticity of the illness.

Attendance Intervention

In order to ensure the school has effective procedures for managing absence, the school will:

- Establish a range of evidence-based interventions to address barriers to attendance.
- Attend or lead attendance reviews in line with escalation procedures.
- Establish robust escalation procedures which will be initiated before absence becomes a problem by:
  - Sending letters to parents.
  - Having a termly review.
  - Engaging with LA attendance teams. - Using fixed penalty notices.

The school will use attendance data, in line with the 'Procedures' section of this policy, to develop specific strategies to improve attendance where patterns of absence are emerging. These strategies will be developed on a case-by-case basis, and will consider the particular needs of the pupils whom the intervention is designed to target.

The school will acknowledge outstanding attendance and punctuality with rewards in school, however, we will not discriminate against those pupils with medical conditions requiring unavoidable appointments.

Illness and healthcare appointments

Parents will be expected to make medical or dental appointments outside of school hours wherever possible. Where this is not possible, parents will be expected to obtain approval for their child's absence to attend such appointments as far in advance as is practicable. Parents will be responsible for ensuring their child misses only the amount of time necessary to attend the appointment.

Applications for Leave of Absence in Term Time

In September 2023 the government introduced new regulations making it clear that Headteachers **must not** give approval for any leave of absence during term time, including holidays, unless there are exceptional circumstances.

Any requests for term time leave should be made on an Absence Request Form available from the school office and handed in **two school weeks** before the first date of the requested absence whenever possible. You must have received written authorisation before your child can be absent from school.

Parent/carers may be issued with a penalty notice fine or prosecution should leave of **5 days or more** be taken which is not authorised by the Headteacher, or where repeated incidents of leave in term time for less than 5 days occur or where the unauthorised absence contributes to wider poor attendance that meets the legal threshold. (Attendance code G).

Performances and activities, including paid work

The school will ensure that all pupils engaging in performances or activities, whether they receive payment or not, which require them to be absent from school, understand that they will be required to obtain a licence from the LA which authorises the school's absence(s).

Additional arrangements will be made by the school for pupils engaging in performances or activities that require them to be absent from school to ensure they do not fall behind in their education – this may involve private teaching. These arrangements will be approved by the LA who will ensure that the arrangements are suitable for the pupil.

The pupil will receive education that, when taken together over the term of the licence, amounts to a minimum of three hours per day that the pupil would be required to attend a school maintained by the LA issuing the licence. This requirement will be met by ensuring a pupil receives an education:

- For not less than six hours a week; and
- During each complete period of four weeks (or if there is a period of less than four weeks, then during that period), for periods of time not less than three hours a day; and
- On days where the pupil would be required to attend school if they were attending a school maintained by the LA; and
- For not more than five hours on any such day.

Where a licence has been granted by the LA and it specifies dates of absence, no further authorisation will be needed from the school. Where an application does not specify dates, and it has been approved by the LA, it is at the discretion of the headteacher to authorise the leave of absence for each day. The headteacher will not authorise any absences which would mean that a pupil's attendance would fall below 95%. Where a licence has not been obtained, the headteacher will not authorise any absence for a performance or activity.

Religious observance

Parents will be expected to request absence for religious observance at least three weeks in advance.

The school will only accept requests from parents for absence on grounds of religious observance for days that are exclusively set apart for religious observance by the relevant religious body. The school will define this as a day where the pupil's parents would be expected by an established religious body to stay away from their employment to mark the occasion.

The school may seek advice from the religious body in question where there is doubt over the request.

Gypsy, Roma and Traveller absence

Where a pupil's parent belongs to a community covered by this code and is travelling for occupational purposes, the parent will be expected to request a leave of absence for their child at least three weeks in advance. Absences will not be granted for pupils from these communities under this code for reasons other than travel for occupational purposes.

SEND and health-related absence

The school recognises that pupils with SEND and/or health conditions, including mental health issues, may face greater barriers to attendance than their peers, and will incorporate robust procedures to support pupils who find attending school difficult.

The school will ensure that reasonable adjustments are made for disabled pupils to reduce barriers to attendance, in line with any EHC plans or IHPs that have been implemented. The school will secure additional support from external partners to help bolster attendance where appropriate.

Where the school has concerns that a pupil's non-attendance may be related to mental health issues, parents will be contacted to discuss the issue and whether there are any contributory factors to their child's lack of attendance. Where staff have a mental health concern about a pupil that is also a safeguarding concern, they will inform the DSL and the Child Protection and Safeguarding Policy will be followed. All pupils will be supported with their mental health through our MACAWS provision where appropriate.

If a pupil is unable to attend school for long periods of time due to their health, the school will:

- Inform the LA if a pupil is likely to be away from the school for more than 15 school days.
- Provide the LA with information about the pupil's needs, capabilities and programme of work.
- Help the pupil reintegrate at school when they return.
- Make sure the pupil is kept informed about school events and clubs.
- Encourage the pupil to stay in contact with other pupils during their absence.

The school will incorporate an action plan to help any pupils with SEND and/or health issues cope with the stress and anxiety that attending school may cause them. Such plans will be regularly monitored and reviewed until the pupil is attending school as normal and there has been signs of significant improvement.

To support the attendance of pupils with SEND and/or health issues, the school will consider:

- Holding termly meetings to evaluate any implemented reasonable adjustments.
- Incorporating a pastoral support plan.
- Carrying out strengths and difficulties questionnaire.
- Identifying pupils' unmet needs through the Common Assessment Framework.
- Using an internal or external specialist.
- Enabling a pupil to have a reduced timetable.
- Ensuring a pupil can have somewhere quiet to spend lunch and breaktimes.
- Implementing a system whereby pupils can request to leave a classroom if they feel they need time out.
- Temporary late starts or early finishes.
- Phased returns to school where there has been a long absence.
- Small group work or on-to-one lessons.
- Tailored support to meet their individual needs.

Truancy

Truancy will be considered as any absence of part, or all, of one or more days from school, during which the school has not been notified of the cause behind such absence.

All staff will be actively engaged in supporting the regular attendance of pupils, and understand the importance of continuity in each pupil's learning.

Immediate action will be taken when there are any concerns that a pupil might be truanting. If truancy is suspected, the headteacher is notified, and they will contact the parent in order to assess the reasons behind the pupil not attending school.

The following procedures will be taken in the event of a truancy:

- In the first instance, a letter of warning will be sent to the parents of the pupil, informing them of the truancy and stating that any future occurrences could result in further action being taken.
- If any further truancy occurs, then the school will consider issuing a penalty notice.
- A penalty notice will be issued where there is overt truancy, inappropriate parentally-condoned absence, excessive holidays in term-time and persistent late arrival at school.

The DSL will be involved where an instance of truancy may be linked to a safeguarding concern. Any safeguarding concerns will be dealt with in line with the Child Protection and Safeguarding Policy.

Missing Children

Pupils will not be permitted to leave the school premises during the school day unless they have permission from the school. The following procedures will be taken in the event of a pupil going missing whilst at school:

- The member of staff who has noticed the missing pupil will inform the headteacher immediately.
- The office staff will also be informed as they will act as a point of contact for receiving information regarding the search.
- A member of staff will stay with the rest of the class, and all other available members of staff will conduct a thorough search of the school premises as directed by the headteacher.
- The following areas will be systematically searched:
  - All classrooms
  - All toilets
  - Changing rooms
  - The library
  - Any outbuildings
  - The school grounds
- Available staff will begin a search of the area immediately outside of the school premises, and will take a mobile phone with them so they can be contacted.
- If the pupil has not been found after 10 minutes, then the parents of the pupil will be notified.
- The school will attempt to contact parents using the emergency contact numbers provided.
- If the parents have had no contact from the pupil, and the emergency contacts list has been exhausted, the police will be contacted.
- The missing pupil's teacher will complete a report on CPoms, describing all circumstances leading up to the pupil going missing.
- If the missing pupil has an allocated social worker, is a looked-after child, or has any SEND, then the appropriate personnel will be informed.
- When the pupil has been located, members of staff will care for and talk to the pupil to ensure they are safe and well.
- Parents and any other agencies will be informed immediately when the pupil has been located.

The headteacher will take the appropriate action to ensure that pupils understand they must not leave the premises, and sanctions will be issued if deemed necessary. Appropriate disciplinary procedures will be followed in accordance with the Behaviour Policy.

The headteacher will carry out a full investigation and will draw a conclusion as to how the incident occurred. A written report will be produced, and policies and procedures will be reviewed in accordance with the outcome where necessary.

Addressing Attendance Concerns

The school expects attendance of at least 95%

It is important for children to establish good attendance habits early on in their school career. It is the responsibility of the Headteacher and the governors to support good attendance and to identify and address attendance concerns promptly. We rely upon parents to ensure their child attends school regularly and punctually and therefore where there are concerns regarding attendance parents are always informed of our concerns.

The school will work to cultivate strong, respectful relationships with parents and families to ensure their trust and engagement. Open and honest communication will be maintained with pupils and their families about the expectations of school life, attendance and performance so that they understand what to expect and what is expected of them. The school will liaise with other agencies working with pupils and their families to support attendance, e.g. social services and the Family Support Team.

The school will ensure that there are two sets of emergency contact details for each pupil wherever possible to ensure the school has additional options for getting in touch with adults responsible for a pupil where the pupil is absent without notification or authorisation.

The school will ensure that parents are aware of their legal duty to ensure that their child attends school regularly and to facilitate their child's legal right to a full-time education – parents will be made aware that this means their child must attend school every day that it is open, save for in certain circumstances, e.g. sickness or absences that have been authorised by the headteacher in advance. The school will regularly inform parents about their child's levels of attendance, absence and punctuality, and will ensure that parents are aware of the benefits that regular attendance at school can have for their child educationally, socially and developmentally.

If a pattern of absence becomes problematic, the attendance officer will work collaboratively with the pupil and their parents to improve attendance by addressing the specific barriers that prevent the pupil from being able to attend school regularly. The school will always take into consideration the sensitivity of some of the reasons for pupil absence and will approach families to offer support rather than immediately reach for punitive approaches.

Where these barriers are related to the pupil's experience in school, the attendance officer will work with any relevant school staff, e.g. the DSL and SENCO, to address this. Where the barriers are outside of the school's control, e.g. they are related to issues within the pupil's family, the attendance officer will liaise with any relevant external agencies or authorities, e.g. children's social care, Family Support Team or the LA, and will encourage parents to access support that they may need.

If a child's attendance does not improve and absences are unauthorised this may lead to consideration of parental responsibility measures which include the issue of penalty notice fines or other statutory action.

National framework for penalty notices

The new national threshold for consideration of legal action is **10 sessions of unauthorised absence in a rolling period of 10 school weeks**. A school week means any week in which there is at least one school session. This can be met with any combination of unauthorised absence, including lates after close of register (Attendance code U) and unauthorised leave in term time (Attendance code G).

If your child's absence falls into this category the school will decide if further offers of support is likely to improve the situation or if a request for legal action should be submitted to the Local Authority.

Monitoring and Review

Attendance and punctuality will be monitored throughout the year. The school's attendance target is to be above the National average for attendance and below National average for persistent absence – full details of the school's absence levels can be found on the school website.

The policy will be reviewed annually by the headteacher.

Any changes made to this policy will be communicated to all relevant stakeholders.
